## INVITATION FOR PARTICIPATION AND CALL FOR ABSTRACTS FOR 17ICGE & 8ISG, DECEMBER 4-5, 2025 LAHORE, PAKISTAN

Dear Sir/Madam,

It is our privilege to inform you on behalf of Pakistan Geotechnical Engineering Society (PGES) and Asian Region Technical Committee 3 (ARTC3) of Japanese Geotechnical Society (JGS) the joint holding of 17th International Conference on Geotechnical Engineering and 8th International Symposium on Geohazards (17ICGE & 8ISG) in Lahore, Pakistan on December 4-5, 2024.

It will be a mega event with the participation of a good number of local and international engineers and engineering geologists. Bulletin No. 1 of this two-day event is attached. The city of Lahore with its traditional beauty and rich engineering resources welcomes engineers, geologists, contractors, material vendors, manufacturers of equipment etc. to make this event a big success by their active participation. This conference, with the participation of geotechnical celebrities from across the world, will prove to be one of the biggest conferences in the Asian region. Detailed program of this event will be provided later on. Please see the latest information about this conference on its website [www.17icge-8isg.com](http://www.17icge-8isg.com).
